VOTER REGISTRATION

QUALIFICATIONS FOR INDIVIDUALS REGISTERING TO VOTE

- Must be a citizen of Georgia and of the United States.
- Must reside at the address shown on the voter registration application.
- Must be at least 17 1/2 years of age to register and 18 years of age to vote.
- Must be eligible to vote in Georgia
- No person who has been convicted of a felony may register, remain registered, or vote except upon completion of the sentence.
- No person who has been judicially determined to be mentally incompetent may register, remain registered, or vote unless the disability has been removed.

PROCEDURES FOR COMPLETING THE REGISTRATION FORM

A black or blue pen should be used to fill out the form. Do not use pencil. It is important that the applicant fill out the application completely and legibly.

A person must only register to vote in the county in which he or she lives. If a person moves, he or she must complete a new voter registration application and designate the change of address in the appropriate section. A house number and street name must be provided. Business addresses, P.O. boxes, and rural routes are not accepted as residence addresses for voter registration purposes.

An applicant **must** provide the full Georgia Driver's License number or Georgia State- issued ID number on the application. If the applicant does not have either of these, the last four digits of the Social Security number will be required (OCGA 21-2-225). If the applicant does not have a Driver's License, Georgia State-issued ID, or a Social Security number, then the appropriate box must be checked, and the individual will be assigned a unique identification number.

All registration forms must be filled out by the applicant. Only those applicants who are illiterate or physically disabled may receive assistance in completing the form. The person providing assistance is required to sign his or her name in the appropriate section.

Providing false information on a voter registration application is a felony.

GEORGIA VOTESAFE PROGRAM

State law requires the public availability of voter lists including names and address of registered voters. In 2009, the Georgia Legislature enacted a bill known as the VoteSafe Program to provide for the confidentiality of residence addresses of certain registered voters who have been, or may be, subject to acts of family violence or stalking or currently reside in a family violence shelter. Applicants who are interested in program participation should be directed to the Secretary of State's online VoteSafe website at: sos.ga.gov/votesafe.

VOTER REGISTRATION IDENTIFICATION REQUIRED

One of the following forms of identification is required for registration and a copy must be submitted either with the application or prior to or at the time of voting.

- Any valid state or federal government issued photo ID, including a FREE Voter ID Card issued by the county registrar's office or the Georgia Department of Diver Services (DDS);
- A Georgia Driver's License, even if expired;
- A valid employee photo ID from any branch, department, agency, or entity of the U.S. Government, Georgia, or any county, municipality, board, authority or other entity of this state;
- A valid U.S. passport ID;
- A valid U.S. military photo ID;
- A valid tribal photo ID;
- A copy of a current utility bill;
- A bank statement;
- A government check;
- A paycheck; or
- Any other government document that shows the name and address of the individual registering to vote.

SECURITY OF VOTER REGISTRATION APPLICATIONS

A private entity conducting voter registration activities must keep all completed original voter registration applications in a secure and confidential manner at all times until such applications are submitted to the Secretary of State or the appropriate board of registrars.

COPYING OF VOTER REGISTRATION APPLICATIONS

- Only with the express, written consent of the applicant, may another person make copies of an original voter registration application. Such copies should only be used in aiding the applicant with verifying the timely and proper receipt and processing of his/her application by the applicable board of registrars.
- The services of a commercial copier may be used only if the company agrees to maintain the confidentiality and security of the original voter registration applications as required of the person who received the consent to make the copies.
- A private entity must keep any copies of voter registration applications in a secure and confidential manner at all times and may not disclose any such copies to any member of the public. **Information contained on the application may not be used or retained for commercial purposes.**
- Copies of completed voter registration applications must be securely discarded by the private entity not later than 90 days following the transmittal of the completed voter registration application to the Secretary of State or board of registrars.

TIMELY SUBMITTAL OF APPLICATIONS

All completed voter registration applications must be transmitted to the Secretary of State or the appropriate board of registrars within ten (10) days after receipt of the application or by the close of registration for a primary or election, whichever period is earlier.

If a completed voter registration application is received fourteen (14) days or less before the close of registration, the application should be transmitted to the Secretary of State or the appropriate board of registrars within seventy-two (72) hours of the date of the execution of the application or by midnight on the close of registration, whichever period is earlier.

Transmittal of completed voter registration applications may be accomplished by in-person delivery, mail, commercial courier, statutory overnight delivery, or any other form of delivery that is reasonably calculated to secure and ensure the confidential delivery and receipt of such applications by the Secretary of State or the appropriate board of registrars within three (3) business days after transmittal and within the time frames required by these rules and regulations and state and federal law.

Annual election calendars can be found at: sos.georgia.gov/elections/elections_events.htm.

TRANSMITTAL SUMMARY SHEET

A <u>transmittal summary sheet</u> must be included with the submitted applications. The summary sheet shall include the following information:

- Name of submitting individual
- Name of the entity sponsoring the registration program
- The physical residence or business address of the submitting individual
- The daytime and evening telephone numbers of the submitting individual
- The total number of applications being submitted

If a date stamped receipt is desired, a postage-prepaid, self-addressed envelope should be submitted along with a copy of the completed transmittal summary sheet.

VOTER ELIGIBILITY AND NOTIFICATIONS

Each person submitting an application for voter registration shall be notified of the disposition of such application.

Each voter found eligible to be registered to vote by the board of registrars shall be issued a precinct card which will be sent to the voter by nonforwardable, first-class mail at the mailing address listed on the application. The effective registration date shall be the date the application is received by the county registrar.

In the event that the person is found ineligible to be registered, the person shall be notified of the reason for ineligibility. Such notices shall be sent to the person in writing by nonforwardable, first-class mail at the mailing address listed on the application.

REGISTRATION REQUIREMENTS AND PROHIBITIONS

REQUIRED ACTIVITIES

When engaging in organized voter registration activities:

• Advise each applicant that such applicant has the option to return his or her voter registration application personally to the appropriate board of registrars or to the Secretary of State or to permit the private entity to return it on the applicant's behalf.

- Inform all applicants that they are not officially registered to vote until their eligibility has been determined by the appropriate board of registrars and that, if the applicant has not received notification of the disposition of the application within three to four weeks of submitting the application, the applicant should contact the appropriate board of registrars to determine if such applicant's eligibility has been determined and the applicant's name entered on the official list of electors.
- Inform all Georgia applicants of the availability of an online registration status check and polling place locator service on the Secretary of State's website and encourage all applicants to access it in advance of a primary or election day to verify their registration status and correct polling place at: http://www.sos.ga.gov/MVP.
- Inform all applicants that, if they are registering to vote for the first time in the jurisdiction by mail or through a private entity, they must present current and valid identification either when registering to vote by mail or through a private entity or when voting for the first time after registering to vote by mail or through a private entity.
- Inform all applicants of their right, under certain circumstances, to cast a provisional ballot in the event that their names do not appear on the official list of electors at the polls.

For purposes of compliance with these notice provisions, it is sufficient for the private entity either to post such notices in a conspicuous location at any fixed registration site or to provide such notices in written form to the applicant in a brochure, flyer, or other similar manner at the time of application.

PROHIBITED ACTIVITIES

While engaging in voter registration programs within Georgia, a private entity shall not:

- Represent to any person that the private entity is a representative of the Secretary of State

- Conduct voter registration activities at locations where the private entity knows that illegal or criminal activities are being conducted

 that the applicant willingly and knowingly provided the unsealed application to the
 private entity
- Copy a completed registration application without the express, written permission of the Applicant
- Conduct voter registration activities in places where alcoholic beverages are sold and consumed on the same premises

All applicants should be encouraged to access this website in advance of a primary or election day to verify their registration status and correct polling place. Voters may also use this website to view a sample ballot for county, state, and federal elections and to track the status of their absentee ballots.
